January Newsletter

Dear Families,

A very Happy New Year to you all, I hope you have had wonderful Christmas break.

I am excited to have begun 2020 in my new role as Head teacher here at Bramley C of E Infant and Nursery school. The staff and children have made me feel very welcome and the children have been most helpful in directing me around the school and ensuring I learn

everyone's names as quickly as possible.

It has been lovely to meet some of you in the playground this week and I look forward to getting to know you all as the term progresses.

I have been in education for over 20 years, working in a range of schools across London and Surrey. For the past four years I have been at a 4-form entry Infant and Nursery school in Reigate. I am delighted that my next adventure begins here with you and your families.

Reception visit to Little Street

Reception had a wonderful time at Little Street on Wednesday, they had the opportunity to dress up and experience a range of roles and scenarios. Mrs Freeman and Mrs Illingworth were very impressed with both their behaviour and their imaginations. We are most grateful to the parents who accompanied them and made this such a memorable trip.

Change of collection arrangements for nursery

From Monday 13th January'20, if your child's nursery or pre-school session finishes at 11.30 or 12.30 please collect them from the nursery door by the hall and enter the school via the Birtley Road gate. Staff will open the gate just before 11.30am and close it at 11.40am and then will reopen it just before 12.30pm until 12.40pm. There are no changes to collections at the end of the day.

Early morning drop off

From Monday 13th January if you use the early morning drop off in the hall please can you tick against your child's name on their laminated class list so we have an accurate record of which children are in the hall, you will need to do this each time you drop off.

Value

This half term we will be focusing on the value of perseverance, please talk to your child about what this might mean to them at home and at school.

Celebration Meal

On Thursday 16th January 2020 we will be having our termly celebration meal. This is to give you advanced notice that all children are invited to participate. If your child normally has a packed lunch they can join the celebration meal free of charge if they are in Reception, Year One and Year Two. If you are unsure if your child will be happy to eat a school meal, you are of course welcome to sign them up, and send in a packed lunch as a back-up. Any questions please speak to the school office.

Opportunity to join our team

We have two exciting opportunities to join our staff team, if you would like to discuss either of these further please ring or pop in to the school office to make an appointment.
