3<sup>rd</sup> April 2020

Dear Families,

So much has changed in the last few weeks it's difficult to believe that today should have been the end of term with our Easter service at the church. Although we are not able to be together at this time, myself and the staff team would very much like to wish you a wonderful Easter.

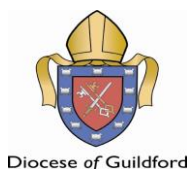

This would have been a holiday, and as such there is no expectation from us as a school that your child completes 'school' activities during the next couple of weeks. You may however like to share the Easter story with the children, we have attached some ideas of how to celebrate some of the key events. You may also like to create an Easter garden like the ones below. If your child does complete any of these activities or perhaps celebrates some of your own family traditions, then please do send us some pictures, we will try to create a school display.

We are grateful to those parents who recently completed our collective worship survey, it was lovely to hear that children regularly talk about our collective worship times at home. In response to your comments we have updated our web page about collective worship, we have added the attached documents for Easter to this page too. We will be meeting regularly with the Open the Book team to ensure that the content of Bible stories shared on Fridays are always relevant for our Reception and KS1 children.

We have continued to add to our library of stories to share with your children, this week Mrs Freeman reads Milly the Meerkat, you can watch via our website: classes and learning, stories for children or by using this link <https://youtu.be/wzGce5LUskA>

The staff team enjoyed seeing the children's photos so much last week that this week, they have sent in photos of how they are spending their time at home.
