

THE HEN HOUSE!

All about us

We've been running before and after school clubs at Surrey primary schools since 2018. We're currently operating in six schools and provide the highest standards of wraparound care.

Our clubs not only run engaging and age-appropriate activities, but **we also help every child with their school reading**. Thereby improving children's literacy and taking away a task from parent's to-do lists. During our clubs children have the opportunity for free play as well as taking part in structured activities planned for with children's development in mind such as cooking, construction, small world play, arts and crafts Lego, sports and more meaning children are not just looked after but **thrive in our care**.

We are owned by Anna, a local business woman and mum to two young children. We are managed by our childcare manager, Catherine, and our deputy manager Becca, both experienced childcare and education professionals with their own children at local schools.

Our team is made up from ex-teachers and other childcare professionals whom carry paediatric first aid, safeguarding and basic food hygiene qualifications as well as clear enhanced DBS certificates.

We are Ofsted registered and go above and beyond the basic requirements of our registration.

What our partnered schools say about us?

"We highly recommend The Hen House as a provider of wraparound care for schools. They are very professional, the staff are well trained, there is always a good range of activities for the children and the leaders and senior managers work closely with us."

Valerie Elliott - Executive Headteacher of St Mary's Infant and St James Primary Schools

"The Hen House staff running our clubs are always punctual, polite, flexible, professional and very easy to work with. They build a good rapport with our children who thoroughly enjoy the club sessions."

Becky Latham - School Business Manager - Witley Infant School

What Ofsted Says About us

"The atmosphere at the club is very positive. Managers continuously strive for improvement. Staff have an excellent relationship with school and parents."

Amanda Harrison - Ofsted Inspector reporting on our Grayswood Primary setting in 2023.
