School Council meeting minutes

Date: 17.11.25

Who was here: Mrs Strickland and School Council

Actions from last meeting:

Action	Action completed
Mrs Strickland to put the school on the list for a school tortoise	School now on the list
School council to bring class mates ideas or suggestions to the next meeting	Some children would like a swimming pool – discussed as a council why this would not be possible.
School council to share the ideas of what they think the school council does in Collective worship	Completed

We discussed:

- We discussed the proposed new school vision. Mrs Strickland went through it with the school council and they added their ideas. They liked how the vision is about being outdoors and that we are kind to each other and the world around us.
- Mrs Strickland asked what the school council thought 'live life in all its fullness' meant. The school council said 'living your life' 'living your life wherever you go'. We talked about how it can mean living life and enjoying all parts of your life. School council agreed this was a good vision to have.
- School council agreed that the school should change the values of 'friendship' to 'kindness' and 'Koinonia' to 'togetherness'. They thought kindness was better as we may not be friends with everyone but we can still be kind. We can also be kind to animals and the world around us. They liked who togetherness was easier to understand for younger children.
