## Senior Leadership Message -

It has been a wonderful final week of the spring term here at Bramley. The children made us all proud with their Easter Service at Holy Trinity. They sang and read beautifully, sharing the message of Easter with their families and the community. Thank you to all the families who joined us for the service, and a special thanks to Reverend Davie for hosting us at Holy Trinity. It was a fantastic experience for the children to visit the church as a school community.

On Thursday, the children participated in an Easter themed pause afternoon, following the service. The children decorated Easter Eggs which staff then hid around the school. The children had a fantastic time going on a hunt for their decorated egg. We hope they enjoyed their mufti day and the Easter Egg Raffle, which helped raise money for the PTFA.

We trust that parent consultations were helpful for families to learn about their children's progress and next steps.

A reminder that children will start back for the summer term on Wednesday 23rd April. Tuesday 22nd April is a staff INSET day, and the school will not be open to children.

Wishing all our families and children a safe and happy Easter break.

Have a lovely weekend.

Mrs. Strickland  
Head of School

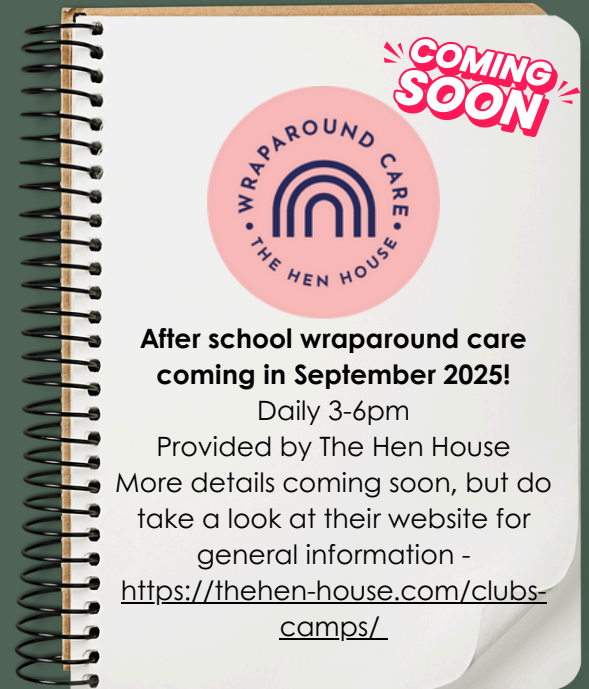

### Prayer

Dear God,

Thank you for the joy of Easter and the love you share with us. We are grateful for Jesus, the sacrifices he made and the hope he brings. Help us to remember his kindness and to share it with others. Bless our families and friends, and keep us safe and happy.  
Amen.

## FOREST SCHOOL

This half term has seen Year One begin their year of Forest School. They have enjoyed observing the changes on the field as spring arrives and have been busy planting potatoes and wild flowers in the raised beds.

The children have loved exploring the mud kitchen and have had lots of fun creating , cakes , soups and other delicious treats from natural materials. (And getting very muddy!)

As part of forest school the children help maintain the outside area. Recently they have enjoyed taking part in weeding the flowerbeds and having a go at coppicing our hazel trees. They learnt how to use the loppers and secateurs safely and were interested to see how bendy the hazel shoots were. We have been beginning to learn how to tie a clove hitch knot. The children have used this on many of their hazel twig creations. Including spring crowns, wands and guitars for a Blues band!
