Senior Leadership Message -

The children have been absolutely brilliant in managing the very hot weather this week. They've shown great maturity by choosing to play more calmly during break times, helping to keep themselves safe and cool. We are blown away by the generosity of our parents who have bought the school 10 large fans for the classrooms and communal areas. This has been a massive help in keeping everyone. Thank you so much!

A big thank you to all the families who came to support their children at Sports Day. Our Pre-School and Nursery children did a fantastic job participating and following instructions. The main school also had a wonderful time holding their Sports Day at St Catherine's Prep School. It was such a joy to come together in a new setting and celebrate the children's efforts. A big thank you to Mrs Jefford and the team at St Catherine's for hosting us, we hope this lovely partnership continues in the years to come.

Next week, Year 2 will be heading off on their Sayers Croft trip, a special way to mark the end of their time at Bramley Infants. They also took part in a swimming gala on Wednesday (again at St Catherine's), where they proudly showcased the skills they've developed during their swimming lessons this term. Pre-School children and families also came together for their graduation ceremony, what a wonderful way to celebrate on all they've learned and experienced this year.

Looking ahead, the children's end of year reports will be sent out next week. This year, we've chosen to distribute all reports electronically. With 83 reports, most of them at least four pages long, we felt this was a more environmentally friendly option. However, if you would prefer a printed copy, please don't hesitate to request one from the school office. Reports will be sent out on the following days:

- Friday 4th July** - Pre-school children moving into Reception in September
- Monday 7th July** - Reception
- Tuesday 8th July** - Year 1
- Wednesday 9th July** - Year 2

Have a lovely weekend
Mrs. Strickland
Head of School

Prayer

Dear God,
Thank You for the gift of health, energy, and the spirit of competition.
As we gathered to celebrate Sports Day.
Help us to compete with fairness, respect, and joy.
May we cheer each other on, win or lose,
And remember that teamwork and effort matter most.

Amen.

Classroom Focus

YEAR 2

In our last few weeks we just want to say what a wonderful class year 2 has been to teach. We have had so much fun together learning and playing - they have come so far! Each and every one of them so talented and special in their own way, we really believe they will achieve so much in their journey ahead.

In the last few weeks we have been making the most of the beautiful weather and consolidating all of the skills and knowledge we have acquired this year. The children particularly enjoyed exploring measuring volume and capacity using different measuring instruments to tangibly apply and explore the learning (it also helped them to keep cool in the heat!).

They also completed their swimming sessions, all gaining a certificate and enjoying the swimming gala and fun splash! We can't quite believe how confident and skilled they have become at their swimming.

Our art and design learning has been such a success this term, the animal pencil pots all turned out beautifully and the children are very pleased with their final design.

In English we have been exploring the story Wild by Emily Hughes, and using it as a springboard for creative writing and poetry, some of the outcomes have just been amazing – We can't believe they are only six and seven!

We would like to thank all of the parents for their support and involvement this year we really are all a fantastic team and the children are a true reflection of this!

Enjoy the summer holidays and Mrs Voller and myself wish all of year 2 a great success and joy in their new adventures to come.
