

NOTICES & REMINDERS

Rooted in Christian values | Seek within | Wonder why | Reach out | Aim high

Dear Parents and Carers,
It has been another busy week of learning. We have had a visit from the Senior Education Officer and the Head of Early Years from the Good Shepherd Trust this week. It was lovely to spend time in the classroom observing teaching and talking to the children about their learning. These visits are always helpful to celebrate the successes of the school and to support us in the areas we need to develop further. There are many areas of strength at Bramley including the behaviour and pastoral development of the children. The children are a credit to you and the staff as they demonstrate our Christian values and a real love of learning.

There are many new dates added this week, please add them into your diary. Have a wonderful weekend – hopefully it will stop raining!

For those of you who are new to the school or are unsure about the role of the PTFA, I would encourage you to come along to our AGM on 2nd October at 7.30 pm in the school hall.

During this meeting we will give an overview of our fundraising achievements in the past 12 months, elect new officers for the coming year and discuss any ideas we have for future fundraising.

We would love to see lots of you there. (By attending the AGM you are not committing to join the PTFA, but of course we would be thrilled if you did!)

Charlie, Laura, Emily & and the PTFA team ❤️

School Lunches

Please remember to order your child's lunches for this half of term 😊

Nursery

We have had a lot of fun going on our bear hunt this week and we found a bear!

Next week will build an assault course in the hall and practice our balancing skills. We will also use the iPad to take photographs of our classroom. Have a great weekend.

For Nursery and Pre School, fruit and milk is provided for morning snack. If your child stays with us all day, we do request that they bring a healthy (no nuts) afternoon snack with them.

Pre School

We have had great fun this week with nursery rhymes and number rhymes, using our toys to act them out. Next week we will start our All About Me topic with the lovely story 'Super Duper You!' Thank you to everyone who has already given consent for our See Saw App. We will be sending you information about how to log in as soon as we can. Have a great weekend everyone.

For Nursery and Pre School, fruit and milk is provided for morning snack. If your child stays with us all day, we do request that they bring a healthy (no nuts) afternoon snack with them.

Reception

It was good to see all those who were able to come along on Wednesday to the information evening. The PowerPoint has been put on our website on our class page, so do take a look at that if you were not able to be with us. This week the children have been rising to the challenge of beginning to learn simple sounds. Do ask them to show you how to Fred Talk words you can make with masd. As you'll see in their Home Learning, we have been showing Counting Crow how to get even better at counting, so do ask them to count out items for you around the house. Next week we are thinking about the numbers 3 and 4 and continuing to role play train rides.

Year 1

Year 1 have enjoyed another full week of learning. We have been deciding which 'greater than' number the crocodile should gobble up. In PSHE we have been sharing the different things that help us all learn.

Year 2

This week we have really got stuck into our learning, looking at many key areas of place value, beginning to compose our own diary entries from a book character's perspective in English and delving deep into our castle keeper's topic theme.

I just wanted to remind you of our PE days, which have changed, they will be Wednesday and Friday.

We have got some coughs going around at the moment so making sure your child has a fresh bottle of water each day is vital.

Have a great weekend.

Think Pharmacy First for your child

Surrey Heartlands

Earache
(Children
aged 1 to 17
years)

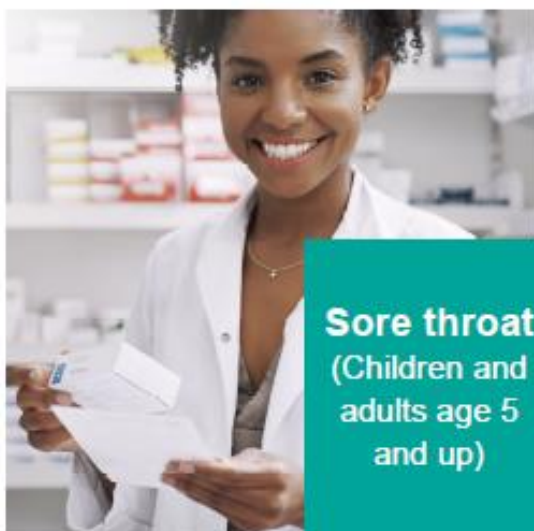

Pharmacies can now offer appointment, with medication available if required, for **four conditions** that affect school-age children:

- Ear ache (children aged 1-17)
- Sore throat (over 5s)
- Infected insect bites (over 1s)
- Impetigo (over 1s)

GP practices are busy and an appointment is not always necessary. When your child is ill with any of the above conditions, by going straight to a local pharmacy, you can have a consultation with a trained clinical professional and receive advice and even medication if it is needed, meaning they could be on the road to recovery as soon as possible.

**Infected Insect Bite
or Impetigo**
(Children and adults age 1
and over)

Sore throat
(Children and
adults age 5
and up)

The majority of Surrey community pharmacies offer the Pharmacy First service. Remember – if your child has an ear ache, sore throat, impetigo symptoms or suspected infected insect bite, think **Pharmacy First**.
