Dear Parents,

We are delighted to share that Bramley Infants Wraparound Care is now officially registered with Ofsted, making it eligible for Tax-Free Childcare payments.

Tax-Free Childcare is a government scheme designed to help working families with childcare costs by offering up to £2,000 per year per child (or up to £4,000 for disabled children). For every £8 you pay into your Tax-Free Childcare account, the government contributes an extra £2.

To sign up, simply visit [www.gov.uk/tax-free-childcare](https://www.gov.uk/tax-free-childcare) and follow the registration steps. Once set up, you can make payments directly to us using our Ofsted registration details:

**Bramley Infants Wraparound Care**

**Setting Reference Number: 2842326**

Please also use your TFC number as your payment reference so we can link the payment to your account.

Additionally, we **accept childcare vouchers**. If your employer provides this benefit and you'd like to make payments through a childcare voucher scheme, please let us know and we'll provide scheme specific information.

Please also note that this summer we are providing fully funded holiday camp places over 12 dates in August. If you qualify for benefits related free school meals you'll be able to book free of charge by following this link: <https://eequ.org/book/the-hen-house-grayswood-school-with-the-hen-house-15775>.

We hope these initiatives will make childcare more affordable and accessible for your family. If you have any questions or need support with the registration process, please don't hesitate to reach out by emailing [care@thehen-house.com](mailto:care@thehen-house.com).

Best regards,
