November 2021

On Friday 29th October the school were invited to the grand opening of the new Co-op by the roundabout. We are delighted that the Co-op has chosen one of our children's pictures to be put on a canvas bag. Primrose in Year 2 was our winner and today your child will have brought home one of the bags full of goodies. We are very grateful to the Co-op for their generosity, they have also selected 9 runners up who will each receive a gift voucher and they have also made a significant contribution of £2000 which will go towards our front playground redevelopment.

Runners-up are:
Emilia-Reception
Beau- Year 1
Bodhi-Year 1
Lily-Year 1
Zoey-Year 2
Matilda-Year 2
Nicholas-Year 2
Henry G-Year 2
Oscar -Year 2

Playground

This term we are expecting the next stage of our playground redevelopment to go ahead. Next week the company who will putting in our trim trail will be here to do a site visit. We have also been in touch with Waverley to get approval for acoustic fencing along the fence line. Our plan is to then place planters with a mix of trees and plants in front of the fencing.

Governor Award

Last term we focused on the value of friendship. Before half term Revd Andy who is one of governors came in to present our governors' award.

Value: Respect

This term our value is respect. Revd Andy introduced it to us this week reminding us that like our body we are all part of one community and should celebrate our similarities and differences, this is a form of respect.

Next week, the worship team will be visiting the war memorial by the church to lay our remembrance wreath.

You can learn more about this value through our values at home- available on our website or via the link below.

Vision: Wonder Why

Today Year 2 had their first school trip since January 2020! They showed our value of respect as they explored Holy Trinity Church with Revd Andy.

They had lots of questions about the features of the church. We wondered why there were so many images of the cross around the church and were amazed when Revd Andy told us the whole church is built in the shape of the cross.
