## Rationale

This policy has been introduced to provide a framework for the efficient and effective recruitment of all categories of staff at Bramley Church of England (VA) Infant Nursery School (the School).

The Governing Body of the School values the contribution of all staff and recognises that the recruitment of appropriately skilled staff is integral to the provision of a safe and successful teaching and learning environment in which pupils can thrive.

The Governing Body is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Accordingly, this policy complies with the current Department for Education (DfE) guidance 'Safeguarding Children and Safer Recruitment in Education'<sup>1</sup>.

## Aims of the Policy

- To ensure that newly recruited staff possess the most appropriate blend of qualifications, experience, knowledge, skills and abilities to meet the demands of the post and the needs of the School.
- To ensure a consistent and equitable approach to the appointment of all staff.
- To ensure that all relevant equal opportunities legislation is adhered to and that appointees are recruited without regard to gender, gender reassignment, sexual orientation, marital or civil partnership status, colour, race, nationality, ethnic or national origins, religion or belief, age, pregnancy or maternity leave or trade union membership.
- To ensure that all recruitment practices are compliant with DfE safeguarding guidance, with clear links to child protection policies and procedures, thereby ensuring as far as possible that all staff recruited to work in schools are suitable to work with children and young people.
- To ensure the most cost-effective use is made of resources in the recruitment and selection process.

## Responsibilities

- The Governing Body, with appropriate advice from the Headteacher, is responsible for determining the staffing complement of the School and for all appointments to the School's staff.
- The Headteacher and one or more governors, but including one individual trained in 'Safer Recruitment', will have delegated responsibility for the appointment of teachers and other staff outside of the leadership group.
- Once the selection panel has been agreed, the lead person, in conjunction with the panel, will be responsible for drawing up the relevant documentation and planning the selection process.
- The selection panel for any position will have responsibility for ensuring that a fair, equitable and non-discriminatory process is maintained throughout the recruitment and selection activities.

## Safer Recruitment

Matters relating to child protection, safeguarding and the promotion of the welfare of children will be central to the recruitment process, starting with the planning of recruitment needs through to the recruitment exercise itself. Particular measures to ensure safe recruitment practice, compliant with DfE guidance, are identified throughout this policy. The selection panel have responsibility for ensuring the implementation of these measures. The safeguarding measures noted in this policy are neither exhaustive nor intended to obviate the need to refer to the most recent DfE guidance as necessary.

## The Planning Process

- The Resources Committee of the Governing Body, in conjunction with the Headteacher, will review the staffing requirements of the School annually and assess the short and long term recruitment needs so that, as far as possible, a planned approach to resourcing the School can be taken.
- The Resources Committee will agree the specification for a post in consultation with the Headteacher.
- Before the start of the recruitment process, there will be a review of the requirements of the specific role. Where a job profile or person specification does not exist (e.g. for new posts) then these will be drawn up for agreement by the Resources Committee.
- Job descriptions and person specifications for existing posts will also be reviewed to determine whether the roles and responsibilities of the post need to be revised and to update the necessary qualifications, knowledge, experience, skills or abilities required by the post holder.

The person specification will also be reviewed to ensure that it does not unlawfully discriminate on the basis of gender, gender reassignment, sexual orientation, marital or civil partnership status, colour, race, nationality, ethnic or national origins, religion or belief, age, pregnancy or maternity leave.

### Safeguarding Measures

- **A statement of the School's commitment to the safeguarding and promotion of the welfare of pupils will be included in both the job description and the person specification.**
- **The job description will clearly set out the extent of relationships and contact with children and young people, and the degree of responsibility for children that the post holder will have.**
- **All person specifications will make reference to the need for the job holder to be suitable to work with children. Qualifications, experience, competencies and qualities needed for the role will be identified, along with an explanation of how they will be assessed during the selection process.**
- **All short-listed applicants will be notified that any relevant issues arising from references will be taken up at interview.**

## Advertising

### All posts

All teaching and non-teaching posts will be advertised internally within the School and in any relevant vacancy circular. Posts may additionally be advertised on an appropriate internet jobs site and/or in national/local press.

In certain circumstances a post or promotion opportunity will be ring-fenced for current staff in the first instance. Any such ring-fencing will be done in a consistent and transparent manner.

Occasionally the decision may be taken not to advertise a post. This may occur, for example, when a similar post has recently been advertised and an appointment can be made from the subsequent interviews, or because a temporary appointment needs to be made as soon as possible to ensure continuity within a post.

### Leadership posts

Headteacher posts will be advertised as the Governing Body considers most appropriate. As a general rule, such posts will, as a minimum, be advertised on a relevant internet jobs site, and may additionally be advertised in a nationally printed publication.

Where the Governing Body has determined that there is good reason not to advertise a leadership post the decision-making process will be clearly documented. No final decision will be made until the local authority and diocesan authority have been consulted.

### Safeguarding Measures

- **All advertisements will include a statement about the School's commitment to safeguarding and promoting the welfare of children.**
- **Reference will also be made to the requirement for the successful applicant to undertake an enhanced-level disclosure via the Disclosure and Barring Service (DBS).**

For all posts, information packs will be sent to all interested parties. The information pack will generally consist of:

- a letter from the person leading the recruitment process;
- a job description and person specification;
- an application form, including an equality monitoring form, with details for completion;
- a copy of the local authority's/School's equal opportunities policy statement;
- a copy of the School's child protection policy statement;
- a statement of terms and conditions relating to the post (hours, salary etc);
- information about the recruitment process (interview dates etc);
- any other relevant information regarding the post and the School.

Applications received after the closing date will not be considered, unless the applicant has given prior notice of a late application to the recruiting officer and this has been agreed.

Applications made through means other than application forms will not be considered, unless a reasonable adjustment has been made to accommodate the needs of an applicant with a disability.

### **Safeguarding Measures**

All applications must be made using the application form for the position to ensure receipt of relevant personal data, education and employment history, declaration of relationships, details of referees and a statement of personal qualities and experience.

## **The Selection Process**

### **The selection panel**

A selection panel of at least two people will be set up prior to the shortlisting process. The members of this panel will normally be comprised from the following:

- Headteacher
- Line Manager
- Any member of the Governing Body who is able to provide relevant expertise,
- The local authority's and diocesan authority's representative (For Headteacher and senior leader appointments)
- Professional advisers where particular expertise or guidance is required.

Wherever possible, all panel members will have been trained in and/or have relevant experience of recruitment and selection and interviewing.

Where a candidate is known personally to a member of the selection panel this fact should be declared before short-listing takes place. It may then be necessary to change the selection panel to ensure that there is no conflict of interest and that equal opportunities principles are adhered to.

### **Safeguarding Measures**

**At least one member of the panel must have completed safer recruitment training.**

### **Short-listing**

Prior to short-listing, the equality monitoring form will be removed and not copied for the short-listing panel. If an applicant has requested reasonable adjustments to a part of the selection process to accommodate a disability, then this will be notified to the chair of the selection panel.

The short-listing process for interview will determine those applicants who best meet the criteria for the post as outlined in the person specification. Decision making will be based solely on the information available on the application forms.

If a disabled applicant meets the minimum criteria of the person specification, then he/she should be short-listed. Advice should also be sought about what reasonable adjustments may be required to enable a disabled applicant to take up post.

### **Safeguarding Measures**

- **Incomplete applications will be rejected and may, at the discretion of the selection panel, be returned to the candidate for completion.**
- **Notes will be made of any anomalies, discrepancies or gaps in employment so that these can be considered as part of the short-listing process. Reasons for gaps in employment, repeated career changes, moves from permanent to temporary or supply teaching will also be noted for exploration and verification.**

### **References**

References will be requested for all short-listed candidates (including internal applicants) prior to the interviews. The School will comply with the requirements of the Equality Act 2010 by not asking questions about a candidate's health or disability as part of these references prior to a job offer being made (this includes information relating to levels of sickness absence). It will be for the selection panel to determine whether the referees given by applicants are suitable and appropriate. Care will be taken in determining whether a referee given by an applicant is suitable. Any applicants currently working in a school environment should give the headteacher of that school as one referee. References from family members or friends will not be acceptable.

All references subsequently received will be held by the chair of the interview panel who will explore any areas of concern at interview. Once a preferred candidate has been chosen following the interview process, the rest of the interview panel will be given access to the references of that person only, in order to confirm their decision.

### **Safeguarding Measures**

- **References will be sought and obtained directly from the referee. References or testimonials provided by the applicant will not be accepted.**
- **References will seek relevant and objective information, including information to verify the applicant's suitability to work with children and young people.**
- **All references will be vetted according to current DfE guidance.**
- **Issues of concern will be raised further with the referee and taken up with the candidate during the interview.**
- **Where, in exceptional situations references are not received prior to the interview, any concerns will be resolved satisfactorily prior to any unconditional offer of employment.**

Where a candidate is claiming specific qualifications or previous experience that is relevant to the job but is not verified by reference checks, these will be verified before interview so that any discrepancy can be explored at interview.

Applicants will be asked to provide details of any cautions, convictions, reprimands and final warnings that are not protected (i.e. that are not filtered out), as well as any other relevant information, prior to interview.

Where shortlisted applicants have disclosed a criminal record or have proceedings pending against them, and/or have had any sanctions imposed by the Teaching Regulation Agency or the National College for Teaching and Leadership / GTC then this will be followed up at interview as necessary. In certain cases it may be necessary to have a discussion with the applicant prior to the interview.

### **The interview and selection process**

Prior to the interview and selection process candidates will be given any relevant information, e.g. details of any selection methods that will be used. Candidates who have a disability or any other special needs will be given a chance to highlight this prior to the process in order that reasonable adjustments may be made to the recruitment process.

Whilst an interview is always likely to be used as the primary feature of the selection process the selection panel will consider whether any additional selection methods are required to supplement the interview. These may include presentations, teaching observation, interaction with pupils, in-tray exercises, and psychometric, verbal or numerical tests, according to the requirements of the role. Any psychometric tests used will have been validated in relation to the job, be free of bias, and be administered and validated only by a suitably trained person.

Whichever methods are chosen, the panel will use these to assess the merits of each candidate against the person specification and explore their suitability to work with children. The selection panel will ensure that all candidates are asked the same main questions at interview based on the list of essential criteria for the post, although supplementary questions may differ according to the candidates' answers and backgrounds.

Particular care needs will be taken to ensure that no questions or selection methods could be viewed as discriminatory.

### **Safeguarding Measures**

- **Invitations for interview will require that the successful candidate will be subject to identity checks and an enhanced DBS disclosure. Candidates should be requested to bring with them documentation to verify their ID, i.e. passport, driving licence, birth certificate, etc.**
- **Candidates will be instructed to bring with them to interview any relevant documentation that will confirm educational and professional qualifications. Copies of all documents will be kept on file for successful candidates.**
- **In addition to assessing the candidate's suitability for the post, the panel will assess the candidate's attitude toward children and young people and his/her ability to support the School's safeguarding agenda and promote the welfare of children. Gaps in employment history and concerns or discrepancies in the application form and references will also be explored.**

## **Job offers**

Successful candidates will normally be offered the post verbally, followed by an offer letter as soon as possible afterwards. A written offer of appointment will include any terms upon which the offer is made conditionally, e.g. satisfactory completion of an occupational health questionnaire, provision of appropriate documentation to verify entitlement to work in the UK and other relevant details.

## **Conditions of Appointment**

Any offer of employment at the School will be conditional upon:

- The receipt of at least two satisfactory references, if not already received;
- Verification of the appointee's identity, if not verified following interview;
- A satisfactory Enhanced DBS Check (including a check of the Children's Barred List);
- Verification of the appointee's medical fitness to undertake the role;
- Verification of the appointee's right to work in the UK (including a photocopy of the original evidence provided);
- Verification of the appointee's qualifications, if not verified following interview.
- Where it is a requirement of the post the offer will also be conditional upon:
- Verification of professional status, e.g. QTS/QTLS status, successful completion of statutory induction etc;
- A completed declaration form to confirm the appointee is not restricted in the work they may perform under childcare disqualification regulations;
- Satisfactory completion of a probationary period.

If the successful candidate has lived or worked outside the UK, the offer of employment will also be conditional on such additional checks as the School deems appropriate.

If any of the following circumstances come to light during the vetting process the facts will be reported to the Disclosure and Barring Service (DBS) and/or the police, as appropriate:

- Candidates are found to be on the Children's Barred List, or the DBS check shows that the candidate has been disqualified from working with children;
- An applicant has provided false information in, or in support of, his/her application; or
- There are serious concerns about an applicant's suitability to work with children.

## **Appointment and Promotion of Existing Staff**

The School values, and where possible, seeks to retain the skills and contributions of all staff within the School community. The School will support as far as possible the continued professional development of all staff as they seek promotion to new opportunities both within the School and elsewhere. All members of staff are therefore encouraged to consider their suitability for any vacancy within the School. Where a member of staff applies for a vacant post they will be given equal consideration to external candidates, based on the essential criteria for the post.

## **Use of Fixed Term and Temporary Contracts**

Where it is determined that posts are only of a short-term nature, this will be clearly specified in the job description and on any advertising literature. Posts will only be advertised on a temporary or fixed-term basis for genuine reasons. Most temporary or fixed-term contracts will come to a natural end. Where, however, a fixed duration contract expires and the need for the post remains for a further definite period, then the postholder will usually be given an extension to their fixed period contract.

Where the need for a temporary or fixed-term post becomes a permanent one, there will be no automatic entitlement for the temporary postholder to be offered the permanent contract. It will be for the Governing Body and Headteacher to consider the most appropriate recruitment process in the circumstances. This could include, for example, consideration of the original reason for the post initially being temporary, any subsequent changes to the needs of the School and the original recruitment process that was undertaken.

## **Use of Supply Staff, Volunteers and Contractors**

The School's workforce is made up of a rich variety of professional and highly skilled and committed people, not all of whom are paid employees. The School values the diversity that this brings to its community as it strives to provide a safe environment and improve the standards of teaching and learning for all pupils. To ensure the continued high standards of contributions, the School will:

- Use as our preferred sources of supply staff, agencies accredited through the Quality Mark Scheme for agencies and LAs;
- With appropriate adjustment, adopt similar recruitment measures for contractors as for employees, and for volunteers as for paid staff.

## **Monitoring**

Mindful of its commitment to best practice in recruitment and its obligations under the Equality Act 2010 and safeguarding of children guidance, the Governing Body will ensure regular monitoring of all recruitment activity. This will be undertaken with a view to improving future recruitment practices and thereby achieving the aims of this policy. The results of this monitoring and any recommended actions will be reported to the Governing Body on an annual basis.

## **Data Protection**

Records relating to recruitment and selection activities will remain confidential and accessible only to those who require information either as part of the recruitment decision-making process or for the administration of the process (including monitoring activities for the purposes of this policy or equality policies). Records relating to successful candidates will be placed in personnel files. Records for unsuccessful candidates will be retained in a secure place for a period of six months, after which time they will be destroyed.
