Bramley C of E Infant & Nursery School

Firstly we'd like to say a huge thank you to our existing parents for all their support during the last academic year. We had a really successful year and that's all down to our volunteers and every parent who bought a disco ticket, an after school snack or 45 turns on the fair tombola's!

This year we will be holding our AGM towards the end of this month and will confirm the date in next week's notices. During this meeting we will be electing new officers, as our current chair, treasurer and secretary are hanging up their hats after years of hard work.

The AGM is a great time to come and learn about what the PTA do and how you can support them in raising money for the school and, of course, what the money raised pays for. We will be providing drinks and nibbles and would love to see as many of you there as possible.

If you would like to understand more about what the roles of chair, treasurer or secretary entail, please contact Charlie on 07917 729164 or charliedebney@gmail.com.

Charlie, Laura, Emily & and the PTFA team ❤️

Hello from Mrs Strickland

I hope you all had a healthy and happy summer break.

I am the new Assistant Head and SENCO at Bramley C of E Infants. I will be splitting my time between two GST schools this year (Queen Eleanor's C of E Junior and Bramley C of E Infants).

I will be based at Bramley on Tuesdays and Fridays and at Queen Eleanor's on Mondays and Thursdays. I don't work on Wednesdays at either school, as I spend the day with my two-year-old, Matilda.

We appreciate that there will be days when I am needed more at each school, so these days are flexible and subject to change depending on the need at each school.

I have a new email address: inclusion@bramley.surrey.sch.uk. I will be able to access this email throughout the week and more than happy to meet with families either in person or virtually.

I look forward to working with you over the coming year and supporting the children to achieve their potential.

Nursery

We have had a wonderful week in Nursery making new friends. Next week we are going on a bear hunt, listening to and acting out the story by Michael Rosen. Have a great weekend.

Pre School

We had another great week in Pre School, making new friends and exploring our inside and outside area.

Don't forget about our Pre School library. You will find it at the bottom of our ramp. Your child can choose a book with you at the end of the day to take home. We just request that you return that one before borrowing another one!

Have a great weekend everyone.

Reception

We have had another lovely week getting to know the children. They have done so well learning the new routines. Next week we begin Outdoor Learning with Mrs Miles on Monday afternoons. Could you send your child in every Monday with wellies in a bag (named please)! If you want to leave these wellies with us, that is fine, but otherwise we shall send the wellies home again on Monday pm so you have them at home for the week. As ever, a coat too if it is chilly. We have enough school waterproofs for everyone to use during Outdoor Learning. We look forward to seeing you at the information evening on Wednesday 18th September. We will talk about reading and Home Learning books at that meeting and will then be sending these home for you to share with your child

Year 1

This week in year 1, we have been focusing on place value in our maths learning. We have been trying to count forwards and backwards from a given number. In our pshe learning today we talked about being special and unique, the children drew a picture expressing what made them special.

Next week we will be beginning the process of home learning. We will discuss this further in our class welcome meeting. Feel free to come with any other questions you have on that day.

Year 2

Our first full week back to school has been a great success in year two. We have made great headway in each subject, beginning to look at place value in maths, reading and writing about The Lonely Beast – our English story for the term and putting all of our learning from year one to work each day.

I have not set any home learning for this week as we get used to new routines, however this will resume next week going forward.

Well done for getting through the first weeks back! Have a wonderful weekend.
